The County of Door operates public transit services through its Transportation Department located at the Aging and Disability Resource Center (ADRC). Public transit services do not have eligibility requirements. Therefore, anyone may ride for any reason. Services are offered through Door County Connect and Door 2 Door Rides. Please see next page for service details.

The following are a few of our ridership statistics:

Door 2 Door Rides provided almost 40,000 rides in 2024 and provided almost 28,500 rides through September 2025.

Door County Connect provided almost 6,350 rides in 2024 and provided almost 4,500 rides through September.

**Transportation Fair – Celebrating 15 Years of Service for Door 2 Door Rides**

The County hosted a Transportation Fair on September 22<sup>nd</sup> to celebrate Door 2 Door's 15<sup>th</sup> anniversary.

There were over 25 businesses and organizations on-site to provide information about their services. Event sponsors were the County, Door County Medical Center, Nicolet National Bank, and Pick n' Save. A huge thank you to the Facilities & Parks team for their help with the last minute change in venue due to weather, etc. Attendees are asking when the next event will be so stay tuned.

Here are a few of pictures from the event.

## Door County Connect

Door County Connect provides rides throughout the City of Sturgeon Bay and an extended area up to 10 miles from the ADRC. Service is available Monday through Thursday, 7:45 am-4:15 pm and Friday 7:45 am-1:15 pm.

Riders pay \$2.00 per trip in the city and \$5.00 per trip in the extended area. Travelers who are within the city service area and have lunch at the ADRC in Sturgeon Bay pay a half price fare.
